Base	Ø330mm
Cable Length	2290mm black flexible cord
Finishes	Brass or black powder coated stem Unlacquered brass or black powder coated base Brass dial control
Materials	Blown glass, brass stem, electrical components
Power Supply	Integral, dial control with build-in dimmer
Environment	Indoor, dry location. IP20
Note	The brass used in our Stem Series is untreated and, as such, will develop a natural patina over time. To avoid any marking or tarnish on the brass during handling and installation, please use the gloves provided in your shipment. Every single Bocci product is handmade. Each one is variously blown, poured, carved, polished, packed and dispatched directly by us. As such, no two products are identical; they are individual, irregular expressions of our research.
